## DRIVING BUSINESS

## CONTROL

Comprehensive monthly and year-to-date reporting helps you monitor purchases and vehicle efficiency. Download PDF reports or receive them by mail.

## CONVENIENCE

With acceptance at over 90% of U.S. retail fuel locations, your drivers will always be able to fuel up when and where they want to. The card is also accepted at over 45,000 service and maintenance locations nationwide.

## TRACK PERFORMANCE

Quickly know how your vehicles are performing with cost-per-mile and miles-per-gallon analyses. By taking advantage of Purchase Alerts and Controls, you can keep a close watch on your company's bottom line and easily enforce purchasing policies. You will know where and when every purchase is made and by which driver.

## TOTAL SECURITY

Powerful online tools allow you to closely manage expenses, and driver identification numbers help prevent unauthorized fueling.

## YOUR SECURITY AND SAVINGS TOOL

With our fleet system, each vehicle is assigned a card and each driver is assigned a unique identification number, one cannot be used without the other. Drivers enter the current odometer reading of the vehicle at the time of purchase along with the identification number. With all this information captured electronically, we bring you the ultimate reporting tool. No matter how many vehicles you are tracking expenditures for; we provide information the way you need it – **USEFUL, FLEXIBLE, and POWERFUL.**

**CONTROL:** Reduce costs by managing fuel types.
